COMMERCIAL

What is FlexiCommercial?

FlexiCommercial is a division of publicly listed company FlexiGroup Limited, working with businesses of all sizes to provide tailored and flexible finance solutions. FlexiGroup has been providing finance and payment solutions for commercial use for over 25 years.

We take pride in being more flexible and easier to deal with than banks and other financial institutions. Using our resources and vision we aim to become an influencing factor in the growth and success of your business. You will deal with an experienced and friendly team that understands your business. To learn more about us, please visit our website: flexicommercial.com.au.

Why lease with FlexiCommercial?

Simple access to finance - We keep the paperwork to a minimum.

Keep cash flowing - Avoid draining cash flow for day to day expenses and preserve your liquidity.

Ease of budgeting - Lease payments are fixed, you can choose from a range of terms from 2 to 5 years enabling you to plan with certainty.*

Bundle your solution - Bundle all your equipment, accessories and installation into an Operating Lease.

Keep up to date - Lease assets and equipment over their productive life then upgrade at the end of term to new and better equipment.

Be more productive - The extra productivity of the new equipment will help pay for the lease cost.

Evolve with your lease - As a business needs to evolve, you can add on equipment at any stage of the lease term and include it all in one monthly payment.*

Tax benefits - You may potentially claim tax deductions on lease payments that you make.*

Flexibility - At the end of an agreement you can choose to upgrade the equipment, extend the lease, make an offer to purchase or return the equipment.*

What can be leased on an Operating Lease?

A wide variety of equipment can be leased on an Operating Lease. You can package a number of smaller items together on an Operating Lease, provided each piece of equipment costs at least \$500.

For example:

- Telephone systems
- IT equipment
- Printers / All-in-ones
- Photocopiers
- Laptops / desktops / peripherals
- Servers / networks / storage
- Point of sale systems
- Photographic equipment

What do I have to do?

- Select the equipment you would like to lease.
- Tell the sales person you would like to take a FlexiCommercial Operating Lease.
- Apply by calling **1300 328 569** or online at flexicommercial.com

Subject to approval, the paperwork is then faxed or emailed for you to review and sign. It's that easy!
