

## **ARCHIE KALEPA, C4 WATERMAN**

"SOLID RACKS are amazing, very simple to assemble, strong and waterproof. The many systems that are available make them a must for every waterwoman or waterman that has more than 3 boards. For me I know what I want and what I need, and SOLID Racks are a must to hold all my toys that I ride on, from stand up boards to foil boards, to the big down winder board, they make my waterman lifestyle complete."
